TIME (MT)	ACTIVITY	SPEAKER: Topic YI=Young Investigator, MS=Mid-Career & SS=Senior, Scientist Affiliation
Tuesday, February 4, 2024		
8:00-8:25 (25 minutes)	Complimentary networking breakfast	Courtesy of CAEP
8:25-9:30	NCER Exec Facilitator	Laurie Morrison (Chair)
8:25-8:45 (20 minutes)	Opening remarks from NCER and European Society of Emergency Medicine	Laurie Morrison: Welcome from NCER Chair, on behalf of NCER Exec (SS) University of Toronto Mehmet Akif Karamercan: Welcome from EUSEM Research from EUSEM Network Chair (SS) Gaza University, Ankara, Turkey & introducing Ari Palomäki , chair EUSEM research (SS) Tampere University, Hämeenlinna, Finland
8:45-9:30 (45 minutes)	Protocol for NCER endorsement, review, and input # # Co endorsement request with PERC	Simon Bertholet (virtual): Recherche pour le développement d'une application de réorientation au triage avec intelligence artificielle (REDIRECT-IA): proposition pour le développement du concept scientifique (SS) University of Laval Mentimeter code: 2129 9168 Mentimeter link
9:30-9:45 (15 minutes)	Refreshment break	
9:45-11:00	NCER Exec Facilitator	Jeff Perry (Past Chair)
9:45-10:30 (45 minutes)	Protocol for NCER endorsement, review, and input	Krishan Yadav: Naproxen vs placebo as adjunct treatment of cellulitis-a randomized controlled trial (MCS) University of Ottawa Mentimeter code: 4231 5633 Mentimeter link
10:30-10:45 (15 mins)	Protocol Update	Jacques Lee: Understanding delirium pathophysiology using urine metabolomics from older people with hip fractures: Update on the FIND-UM Trial

		(SS) University of Toronto Mentimeter code: 3588 6562 Mentimeter link
10:45-11:00 (15 mins)	Protocol update	Andrew McRae: CCEDRN morphing into CEDRN (SS) University of Calgary Mentimeter code: 2364 4755 Mentimeter link
11:00-17:00	Free afternoon for investigators	
11:15- 13:30 (2 hrs 30 minutes)	Research Professionals Committee Meeting-All investigators are welcome	
11:15-11:20 (5 minutes)	Welcome and Executive Committee introductions	Cathy Clement , Program Manager Ottawa Hospital Research Institute Chair, NCER RPC Committee
11:20-11:30 (10 minutes)	Review of terms of reference	Cathy Clement , Program Manager Ottawa Hospital Research Institute Chair, NCER RPC Committee
11:30-12:15 (45 minutes)	Contracts and law in emergency medicine research	Jennifer Cox , BA. Hons, JD Manager of Contracts at the Ottawa Hospital Research Institute Mentimeter code: 3699 2776 Mentimeter link
12:15-13:00 (45 minutes)	Landscape of ED research across Canada: survey results	Vlad Latiu , BSc, M.D., Project Coordinator Department of Emergency Medicine Queen's University Megi Nalbani , BA, PCP, Research Manager Department of Emergency Medicine Dalhousie University Mentimeter code: 6694 2810 Mentimeter link
13:00-13:30 (30 minutes)	From posts to progress: using social media for health promotion and research engagement	Noeleen Venter , BSc, DPH, MPH Qualitative Research Assistant Action ADE, University of British Columbia Mentimeter code: 1825 7838 Mentimeter link
13:30-17:00	Free afternoon for RP's	
17:00-19:15	NCER Exec Facilitator	Krishan Yadev (MCS)
17:00-17:45 (45 minutes)	Protocol for NCER endorsement, review, and input	Robert Ohle: Validation of a clinical risk score to identify emergency department patients with serious causes of dizziness (MCS): Northern Ontario School of Medicine, Lakehead University Mentimeter code: 4720 2981 Mentimeter link
17:45-18:00 (15 mins)	Teachable Moment Dealing with Preprints	Katie Dainty (MCS) University of Toronto Mentimeter code: 4104 6278 Mentimeter link
18:00- 18:45 (45 mins)	Protocol for NCER endorsement, review, and input	Jacques Lee: Point of care ultrasound guided regional analgesia to prevent incident delirium in hip fracture patients-role of adjuvant dexamethasone (RAPID-RoAD) (SS) University of Toronto Mentimeter code: 5666 8610 Mentimeter link

18:45-19:00 (15 mins)	Protocol Update	Patrick Archambault: BETTER-ED CIHR (SS) University of Laval Mentimeter code: 2445 5282 Mentimeter link
19:15-	Dinner as you wish	
Wednesday, February 5, 2024		
8:30-9:45	NCER Exec Facilitator	David Savage (Emerging Researcher SC Chair)
8:00-8:30 (30 minutes)	Complimentary networking breakfast	Courtesy of CAEP
8:30-9:15 (45 minutes)	NCER Executive Reach out to Membership	Laurie Morrison: Sustainability comparison with PERC and CCCTG (SS) University of Toronto Patrick Archambault: CCCTG Liaison (SS) University of Laval Gary Joubert: PERC Liaison (SS) University of Western Ontario Mentimeter code: 6710 5962 Mentimeter link
9:15-9:30 (15 mins)	Protocol Update	Andrew McRae Development of novel risk prediction tools for emergency department patients with suspected coronary artery disease (SS) University of Calgary Mentimeter code: 7850 2476 Mentimeter link
9:30-9:45 (15 minutes)	Refreshment break	
9:45-11:00	NCER Exec Facilitator	Gary Joubert (Vice Chair)
9:45-10:00 (15 mins)	Teachable Moment	AI update from Sam Vaillancourt (MCS): University of Toronto and David Savage (MCS): Northern Ontario School of Medicine, Lakehead University Mentimeter code: 4890 1714 Mentimeter link
10:00-10:15 (15 mins)	Protocol Update	Raoul Daoust: Impact of vitamin C on the reduction of opioid consumption after an emergency department visit for acute musculoskeletal pain: a double-blind randomized control trial protocol (ss) university of Montréal Mentimeter code: 6957 6334 Mentimeter link
10:15-11:00 (45 mins)	Protocol for NCER endorsement, review, and input	Corinne Hohl: Sustaining and expanding the Canadian emergency department research network to improve pandemic and health emergency preparedness (SS) University of British Columbia Mentimeter code: 8372 6878 Mentimeter link
11:00-17:00	Free afternoon for all	
17:00-19:00	NCER Exec Facilitator	Patrick Archambault (Peer Review Lead)

17:00-17:45 (45 minutes)	Protocol for NCER endorsement, review, and input	Krishan Yadav: Dalbavancin vs. usual care for ED treatment of skin and soft tissue infections-a pilot RCT (MCS) University of Ottawa Mentimeter code: 6435 7989 Mentimeter link
17:45-18:00 (15 mins)	Teachable Moment	Gary Joubert: Options after rejection (SS) University of Western Ontario Mentimeter code: 2750 1079 Mentimeter link
18:00-18:45 (45 mins)	Protocol for NCER endorsement, review, and input	Jessica Moe (virtual): Promoting safety and equity in chaos: a feasibility study of peer support workers to support people who use drugs in emergency departments (ER) University of British Columbia Mentimeter code: 5907 8076 Mentimeter link
18:45-19:00 (15 mins)	Protocol update	Jessica Moe (virtual): Optimizing outcomes for patients presenting to emergency departments with opioid poisoning (ER) University of British Columbia Mentimeter code: 8202 0886 Mentimeter link
19:30	Complimentary networking dinner (location: Kamichat)	Courtesy of CAEP
Thursday, February 6, 2024		
8:30-9:45	NCER Exec Facilitator	Laurie Morrison (Chair)
8:30-9:15 (45 minutes)	Protocol for NCER endorsement, review, and input	Kerstin De Witt: Validation of a new DVT testing algorithm in the emergency department (SS) Queen's University Mentimeter code: 4609 6845 Mentimeter link
9:15-9:30 (15 mins)	Protocol Update	Patrick Fok: Performance of a risk prediction model for urgent dialysis in dialysis patients transported by EMS (ER) Dalhousie University Mentimeter code: 4691 8788 Mentimeter link
9:30-9:45 (15 minutes)	Refreshment break	
9:45-11:00	NCER Exec Facilitator	Gary Joubert (Vice Chair)
9:45-10:30 (45 minutes)	Protocol for NCER endorsement, review, and input	Katie Dainty: The cadre app: experienced-based co-design and feasibility evaluation of a digital health: intervention to support cardiac arrest survivorship (MCS) University of Toronto Mentimeter code: 5427 9208 Mentimeter link
10:30-10:35 (5 minutes)	Teachable Moment	Laurie Morrison: Upcoming changes to CIHR CV (SS) University of Toronto

		Mentimeter code: 8473 4183 Mentimeter link
10:35-10: 50 (15 minutes)	Protocol Update	Marcel Emon: Quebec Brain Injury Categories tool-QueBIC prospective study (SS) Laval University Mentimeter code: 2822 9412 Mentimeter link
10:50-11:00 (15 minutes)	Closing remarks	Gary Joubert: Closure from NCER Chair, on behalf of NCER Exec (SS) University of Western Ontario
11:00	Save Travels All-We will be in the east again for 2026 first week of February to ensure we are in synch with PERC with respect to location, timing and hotel going forward
